Hi Dan,

I haven't heard anything from Linda Siegel on this front. Do you have any updates? We have to be out of our storage yard starting Thursday of next week and literally have no place to store these two bus benches. I don't suppose we'll have a resolution by then (it's been over a year since the benches were removed), but I at least want to keep pushing for movement from BSS to finalize the Bus Bench Placement plan.

Many thanks,

Dan, looping you in on this. How can we get these benches installed ASAP? We need to get those benches out of storage per the request of the property owner.
